Subject: Re: Kershner Foil Request

Thank you -- I understand that the SUNY Fredonia police would have their own records that the Sheriff's Office won't, but is it possible to search for communications the Sheriff's Office had with them? My understanding is that the SUNY Fredonia police asked the Sheriff's Office to increase patrols around SUNY Fredonia in February 2022, so I'm looking for communications between the Sheriff's Office and SUNY Fredonia or its police.

Thanks again,

Adam B. Steinbaugh

You would have to contact the Fredonia Police Department and the Campus Police for those records since it is their jurisdiction.

Good afternoon,

With having just the name, I did not find any criminal records from the time frame and incident mentioned in the letter.
